January 2017

The club meets at the Hudson Senior Center, 29 Church Street, Hudson MA on the first and third Wednesdays of each month except July and Aug. Meetings begin at 7:30 PM

Next program meeting: January 4th. Presented by Michael Goodman

Adding Points to Your Competitive Images

Competing more successfully as a way to improve your photographic skills

I have been competing in camera clubs and international salons actively for well over thirty years now. I have also judged at clubs throughout New England for the last 30+ years as well as at international exhibitions such as the Greater Lynn International and the Glennie International. I suspect I have seen tens of thousands of images during this time. This process has allowed me to grow and develop as a photographer in ways that I don't believe would have been possible otherwise. The judges (mostly good but occasionally not) along the way have all contributed to my evolution as a photographer.

I have done pretty well in both the club competitions and internationals I am proud to say. I am so ever grateful for the camera clubs that I have been part of (Waltham, Boston, Boston West and Gateway) that have enabled my interest and skills to grow and flourish. I have learned a lot and want to share some of my reflections and learnings with people who may be relatively new to competitions as well as veterans who are looking to move up a level or two in their mastery.

Michael Goodman's "Adding Points to Your Competitive Images" is supported in part by grants from the Hudson Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency."

Next competition meeting: January 18.

Scheduled subjects:
Prints "Open"
Digital "Open"
Digital assigned subject "Starburst Effect"

ANNOUNCEMENTS

Creative Images

As Todd mentioned at the last meeting, we are now registered to submit images into The PSA "Creative digital image" category. Because we do not have a regular creative image competition, we need images to submit.

If you have an image you would like considered, please send it to me Please size it as you would for regular club competition.

Board Meeting

The board meeting is scheduled for Tues, January 10th, from 7-10pm.

Proposed agenda:

- Prepare for Hi Jinx on January 21st
- 2. Mid-year update regarding: membership, programs, what is happening with the mentor program, the Friends of the Marlborough Library Photo Show, Scavenger Hunt, Multi-Screen, judging in general, club finances, purchase of new projector & computer committee
- 3. Club needs to address the guidelines and rules around image submission. There have been a number of incidents since May that have caused concern. We need to have specific language regarding entries and state the consequences for infractions to the guidelines/rules.
- 4. Could we do something about holding our banquet, an auction, and a long competition on one night, followed by a long clean-up and furniture move?

Stephanie Gill

NECCC

The New England Camera Club Council (NECCC) will be holding its annual conference on July 14, 15, and 16, 2017 at UMASS Amherst.

One member of our club can have free registration, if that person has never attended a conference before. The free registration is worth at least \$195 (last year's fee).

If you are interested in attending for free, please let me know by February 1st. If more than one member submits their name, a drawing will be held on February 1st.
